

Faculty:

Jan Helsper, RN

Jan has been in home care for over 20 years with an extensive background in medical review and performance improvement. She also has extensive compliance experience with both a fiscal intermediary and several large home care agencies in the southeastern U.S. More recently, Jan has spent 4 years as the Executive Director of a therapeutic riding center that provides hippotherapy and other equine assisted activities to children and adults with disabilities and long term illnesses. Jan is a graduate of the West Suffolk Hospital Nursing School in Suffolk, England and is a favorite speaker for AHHC workshops and teleconferences.

The Aide's Role in Risk Management

AUDIO CONFERENCE

**Thursday August 19, 2010
12:00 p.m. to 1:00 p.m. PST**

Brought to you by:
California Association for Health Services at Home

What's it all about?

Risk management is a way to promote safe and effective practices. By managing our risk, we can reduce the possibility of accident or harm to both the patient and agency staff. During this audio conference, we will discuss the importance of patient rights and responsibilities, negligence and abandonment, accurate documentation, agency policies, following the aide care plan and other factors that influence risk management. We will also discuss occupational risk factors such as personal safety, hazard assessment and ways to reduce potential safety issues.

REGISTER TODAY! Save time and travel costs and include all staff members who require training on this important topic!

Enjoy the convenience and cost-efficiency of a telephone workshop. There is no travel time involved and no limit to the number of attendees from your agency who may participate at your site through one phone line. All you need to participate is a speaker telephone and a room large enough for your staff.

Shaping the Future of Home Care

The workshop will take place from 12:00 p.m. - 1:00 p.m.

The registration deadline is **August 13, 2010**. Due to the expense of using the teleconference hook-up, registrations may not be shared between agencies – the agency's registration covers the access of only one phone line into the teleconference. The handouts will be emailed to you to the email address you provide. Please feel free to provide an additional email address as a back up.

Your email confirmation will include:

Details of how to dial into the teleconference on a toll-free telephone line, the handout, and evaluation. Fees will be refunded only if written cancellation is received by CAHSAH two weeks prior to the workshop, and are subject to a handling fee. **No refunds will be given after the dial-in number is sent to your agency.**

***Please note that all phone lines are tracked. Each dial in location will be charged accordingly.**

Registration
